

Dear Members:

Happy Holidays!

It is the time of the year—2010 is going away and we can hear the steps of 2011 now. We want to wish everyone a happy and successful New Year!

The year 2010 is a busy and joyful year for our chorus. For many of us, 2010 was filled with hard work and unforgettable moments from our big events, including the award-winning trip to Beijing and the well received concert at Montclair State University.

Our chorus is like a big family. It is a place where we sing together, share music together, and enjoy life together. Thank you for your participation and support over the years. You are the ones who make our chorus what it is today.

Our chorus is gaining experience and growing in numbers. Please reach out to our new members with hospitality and make them feel at home.

This year, our chorus becomes a 501(c) (3) non-profit organization under the Federal Internal Revenue Code, which means donations to our chorus will be Federal Tax exempted. Please help our chorus to spread this news to families and friends, to raise more funds, so our regular and special activities can be well funded. If you have any suggestions, we'd like to hear them.

Again, thanks for all your hard work and dedication! We will have a wonderful time working together to build a strong chorus. We look forward to sharing fun and friendship with all our members, old and new.

Sincerely,

The Huaxia Committee
